

# Moverons Garden

3 & 4 June 2017

Julie Cuthbert  
Connecting the Landscape

Private View

2 June 2017  
6 - 8pm

Wine & Music  
Suggested donation to NGS £10

RSVP [julie@red-bird.co.uk](mailto:julie@red-bird.co.uk)

Exhibition continues 3 & 4 June 10am - 5pm

Entering into the final months as artist in residence at Moverons Farm, this exhibition reflects Julie's experiences and emotional responses to the landscape, history and wildlife of the farm through painting, sculpture and photography.

There will be a sculpture trail and an exhibition in the barn where refreshments are available.

---

**About Moverons Garden** A very special and unique place hidden away and looking out over the River Colne Estuary. A garden full of variety and surprises, the differing planting aspects are fully exploited - hot sun and drought, dry and damp shade, bog and containers. Our planting is always informal - free flowing and generous with a mixture of shrubs and perennials.

Colour schemes range from a delightful mix of pastels and soft colours around the house, sizzling hot colours in front of the yew hedge to rich oranges and yellows in the reflection pool garden.

---

## Directions

Moverons, Moverons Lane, Brightlingsea CO7 0SB

As you drive into Brightlingsea turn right at All Saints Church on the bend at the top of the hill and then follow the NGS signs
